

# Privacy Policy

Privacy Policy pursuant to the General Data Protection Rule (GDPR) effective from 25<sup>th</sup> May 2018

Updated 24 May 2018

## Your Data

Your data privacy is important to us. Please be assured that CryptX Limited considers the privacy of your personal data a subject of utmost importance. Personal data includes but is not limited to your name, telephone number, email address, home address, I.D. documents as well as any information you have provided to CryptX Limited.

The Personal Data Protection Policy will enable you to understand how we use the personal information we may collect from you.

By providing your personal information to us, you are consenting to our Personal Data Protection Policy and the collection, use, access, transfer, storage and processing of your personal information as described in our Personal Data Protection Policy.

Should you wish to limit or be excluded from our engagements, please contact us at the following:

Email Address: [privacy.policy@cryptx.ie](mailto:privacy.policy@cryptx.ie)

By not contacting us, we take it that you have consented to the overall use of your personal data as set out in our Personal Data Protection Policy.

All updates to our Personal Data Protection Policy will be regularly posted on our website. We encourage you to continually visit us for the latest updates and news.

## Personal Data Protection Policy

This Personal Data Protection Policy (PDPP) is issued to all our valued customers pursuant to the

The General Data Protection Regulation (GDPR), 25th May 2018.

We treat and view your personal data seriously. Please read the following Policy to understand how CryptX Limited ("CryptX Limited") uses the personal data we may collect from you. By providing your personal data to us, you are consenting to this PDPP and the collection, use, access, transfer, storage and processing of your personal information as described in the Policy.

Personal data is any information that concerns you individually and would permit us to contact you, for example, your name, address, telephone/fax number, email address, I.D. documents or any information you submit to CryptX Limited, our, website, tablet and smartphone applications ("Applications") that identifies you individually.

The Websites or the Applications cannot collect any personal information about you unless you provide it.

You can visit and browse the CryptX Limited Website and the Applications without revealing personal information about yourself, but not all functions will be available to you. You may also choose to disclose personal information about yourself. We may collect personal information from you when you:

- Communicate with us through the different platforms of registering
- Through website
- Through mobile applications
- Through telephone/call center
- Through our offices
- Register or subscribe to any products/services e.g.: newsletter.
- Participate in any of our surveys done internally or via an appointed third party.
- Enter into /participate/win in any contest/competition/loyalty programs run by us.
- Register interest and /or request for information regarding opportunities.
- Respond to any job opportunity/marketing materials we send out.
- Visit any of our offices
- Visit or browse our website
- Lodge a complaint with us
- Provide feedback to us
- Apply for a job

If you provide us with any Personal Data relating to a third party (e.g. information of your spouse, children, parents, and/or employees), by submitting such Personal Data to us, you represent to us that you have obtained the consent of the third party to provide us with their Personal Data for the purposes as listed below.

## Disclosure and Transferring of Data

We may disclose your personal data to the following third parties as may be required for any of the above purposes:

- Law enforcement agencies and such bodies in compliance with the law and Order of a Court.
- Companies and/or organisations that act as our agents, contractors, service providers and/or professional advisers.
- Companies and/or organisations that assist us in processing the personal information.
- Our business associates and other parties for purposes that are related to the purpose of collecting your personal information.
- Other parties in respect of whom you have given your consent.

## Cookies and Advertisers

A cookie may be used in the processing of your personal information. A cookie is a text file placed into the memory of your computer and/or device by CryptX Limited's computers. A copy of this text file is sent by your computer and/or device whenever it communicates with CryptX Limited's server. CryptX Limited use cookies to identity you. CryptX Limited may also collect the following information during your visit to the Websites

The date and time you accessed each page on the Websites; The URL of any webpage from which you accessed the Websites; The web browser that you are using and the pages you accessed

Some web pages may require you to provide a limited amount of personal data in order to enjoy certain services on the Websites (system login credentials, email address and contact, etc.). These personal data will only be used by CryptX Limited for its intended purpose only, i.e. to respond to your message and deliver the requested services.

## External Links

CryptX Limited Websites and Applications may contain links to other web sites not maintained or related to CryptX Limited. These links are provided as a service to users and are not sponsored by or affiliated with the Websites, Applications, or CryptX Limited. These websites may have their own privacy statement in place and we recommend that you review those statements if you visit any linked web sites. CryptX Limited is not responsible for the contents on the linked sites or any use of the sites.

## Security

CryptX Limited shall take reasonable steps to safeguard your personal information against any loss, misuse, modification, unauthorized or accidental access or disclosure, alteration or destruction by having regard:

- To the nature of the personal data and the harm that would arise.
- To the place or location where the personal data is stored.
- To any security measures incorporated into any equipment in which the personal data is stored.
- To the measures taken for ensuring the reliability, integrity and competence of personnel having access to the personal data.
- To the measures taken for ensuring the secure storage, transfer and disposal of the personal data.

CryptX Limited shall ensure that any security policy developed or implemented by CryptX Limited complies with the security standard required under the Act and any applicable law that may from time to time be in force.

CryptX Limited places great importance on the security of your personal information and ensures organisational security measures when processing your personal data.

## Retention

Any personal information supplied by you will be retained by CryptX Limited for such period as is necessary for the purposes set out in this Policy or as may be deemed necessary by CryptX Limited or where otherwise required by law.

## Accessing your personal data

You can access data we hold about you by logging into your subscription account via our website or make an access request by:

- Applying in writing to [privacy.policy@cryptx.ie](mailto:privacy.policy@cryptx.ie)
- Provide any details which may be needed to help us identify you and locate all the information we hold about you

In response to your access request we will:

- Supply the information to you promptly and within 40 days of receiving the request
- Provide the information in an understandable and legible format
- Amend or erase personal data
- Inform you if we do not hold any information about you within 40 days of receiving the request
